THE SPIRIT SOARS

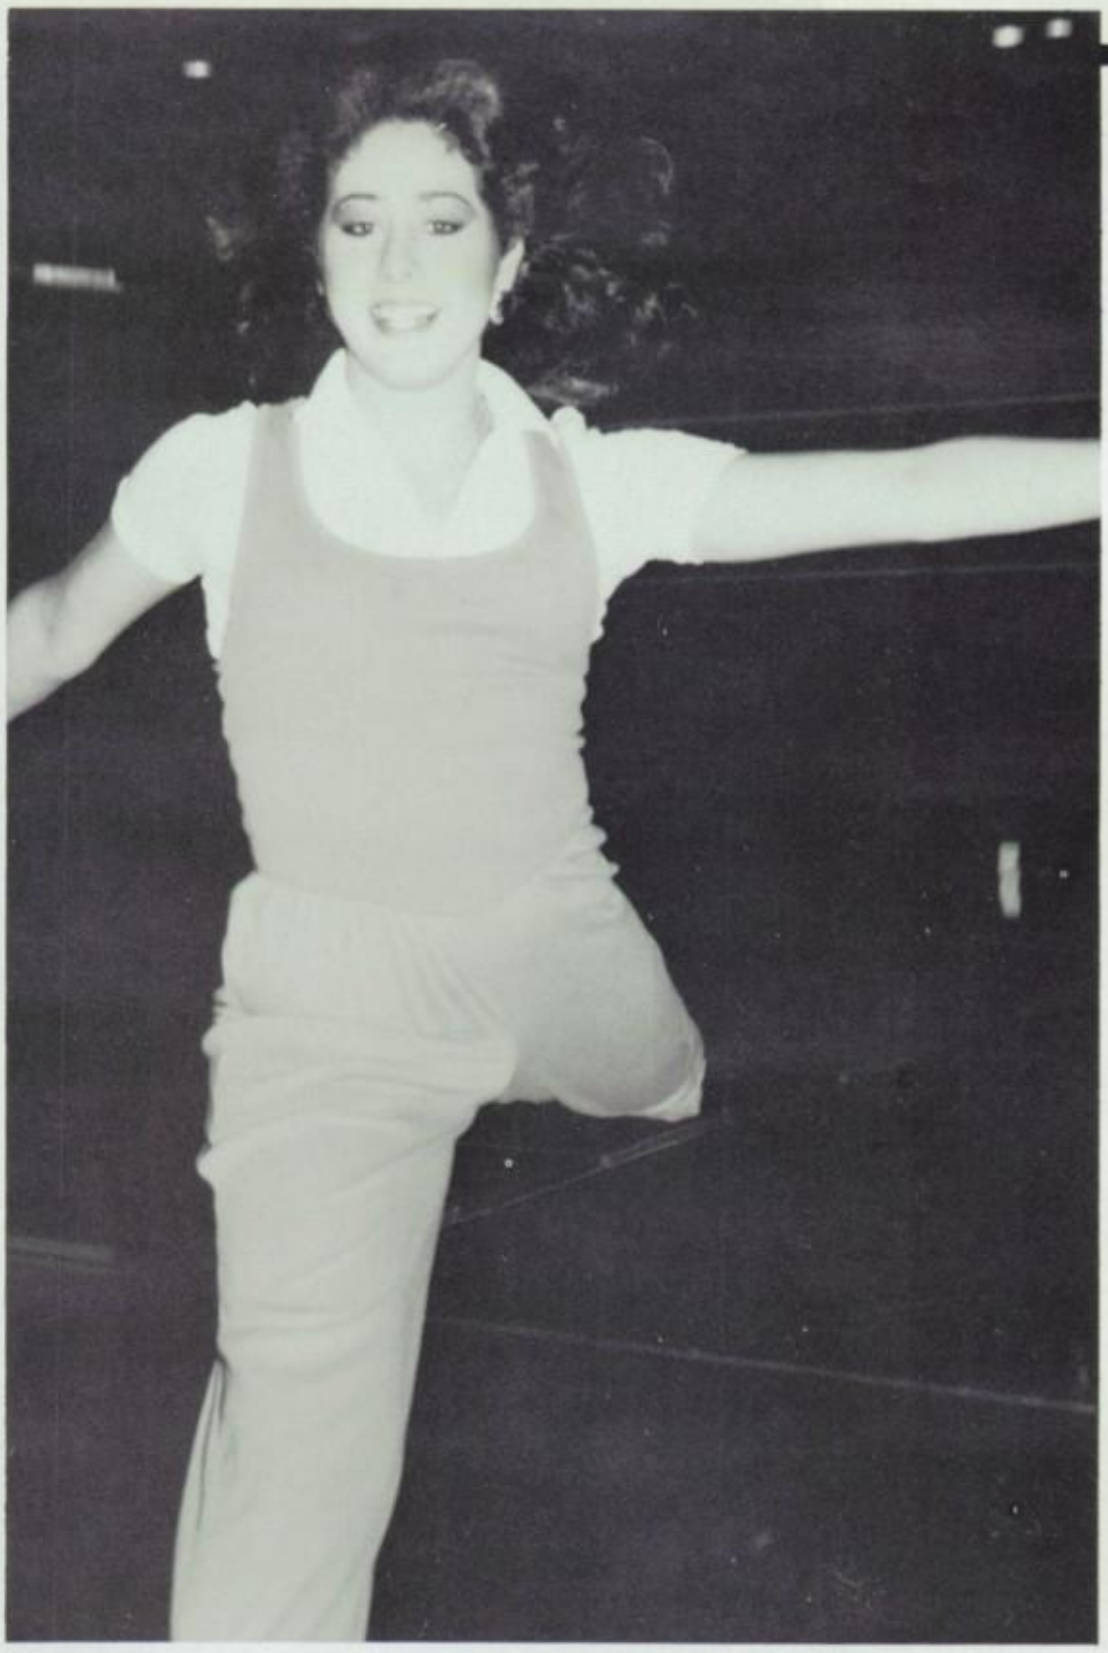
East Buchanan High School 1983-84 Gower, Missouri 64454

SPIRIT SOARS



Like the spirit of a hot air balloon so are the times at E.B. High. The year lifts off and slowly reaches higher, into unknown skies. As it drifts, many experiences, happy and sad, await the pilots of this adventure. Friends are made, and emotions felt are as different as each cloud in the sky. As the balloon flies, so do we. Time is of no essence. We are free to sail. As a flight lands the years journey will be forever remembered. Feel this spirit. Eighty four will soar!

SENIORS

Class Officers: President, Greg Burns; Vice President, Jeff Emmons; Secretary, Kim Gray; Treasurer, Tim Brewer.

The ties that bind the senior class of 1984 are many. We started school thirteen years ago as many wide-eyed individuals, but through the years we have been molded and formed into the group that we are today. As we look back upon our school days we can each recall many wonderful, exciting, loving, fun and even some painful memories. We can also recall a sea of faces, of people who helped us along on our journey; friends, parents, brothers and sisters, faculty and numerous others. We are all now faced with the uncertainty of change, but with this change comes the most challenging and most rewarding part of life. Ours is a bright future but more importantly ours was a bright past. Hold on to your memories and remember, seniors, that this was your year!

'84 Brings Out The Best

'84 brought about changes at East Buchanan. Just as new wave and bizarre clothes were spreading throughout America, they too could be seen in our halls. Break dancing and the moonwalk gave a new level to the dance. The Michael Jackson craze will be prominent in America for years to come. '84 did bring out the best in the students at E.B.H.S.

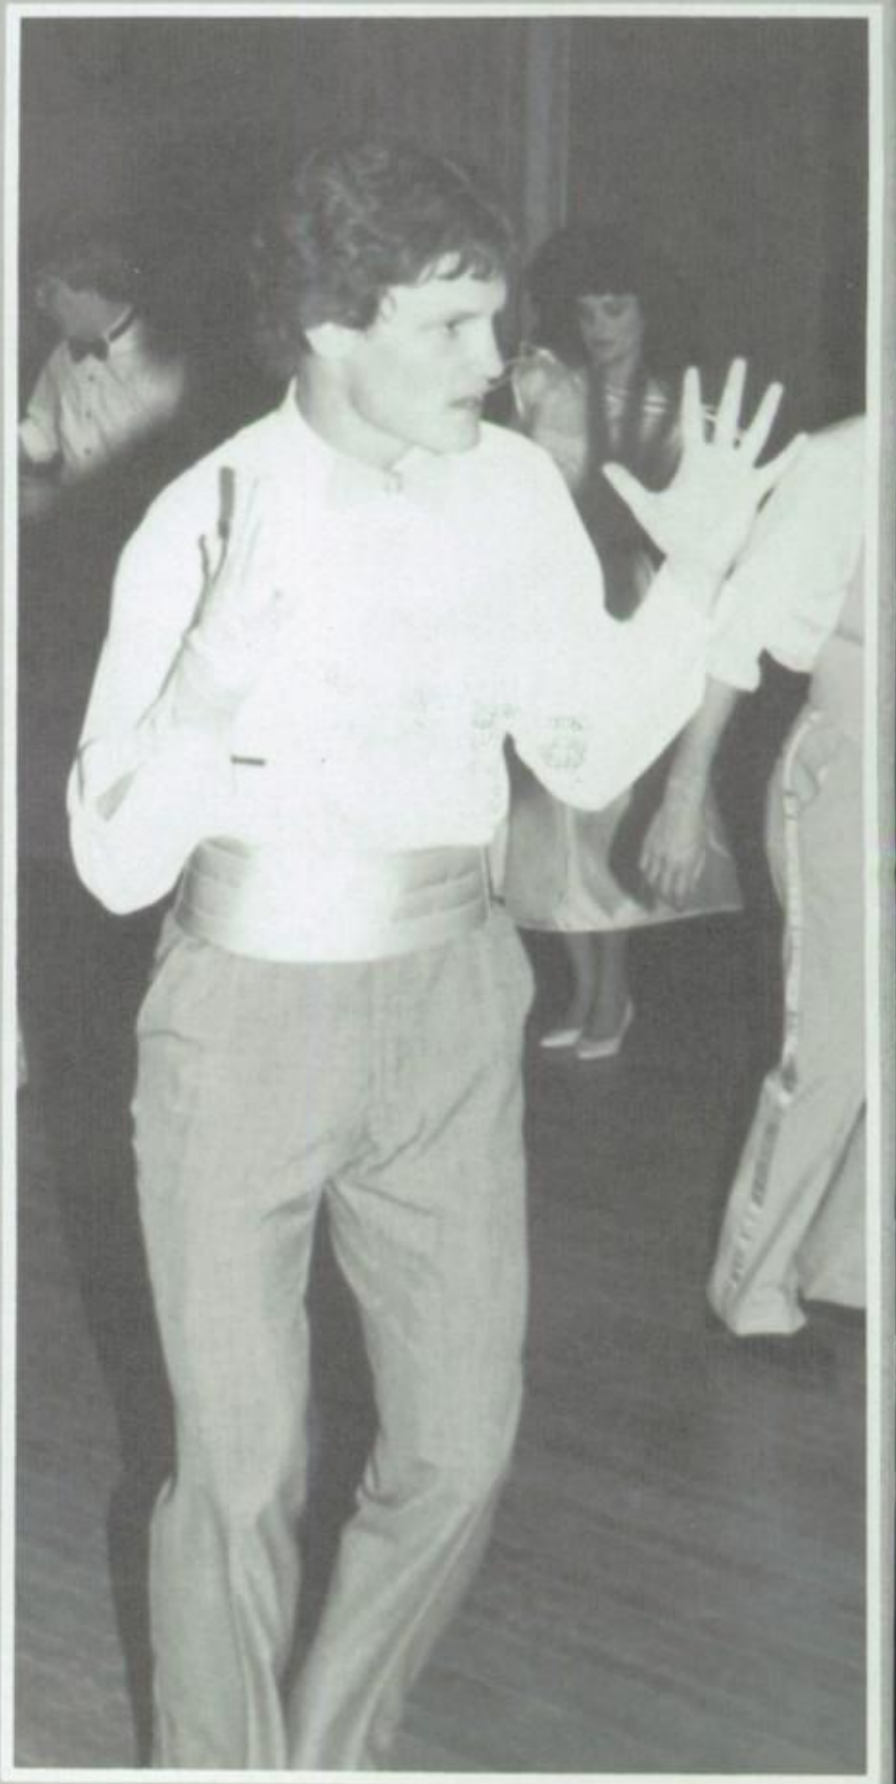
"Where's The Beef? became a familiar saying based on the Wendy's commercial.

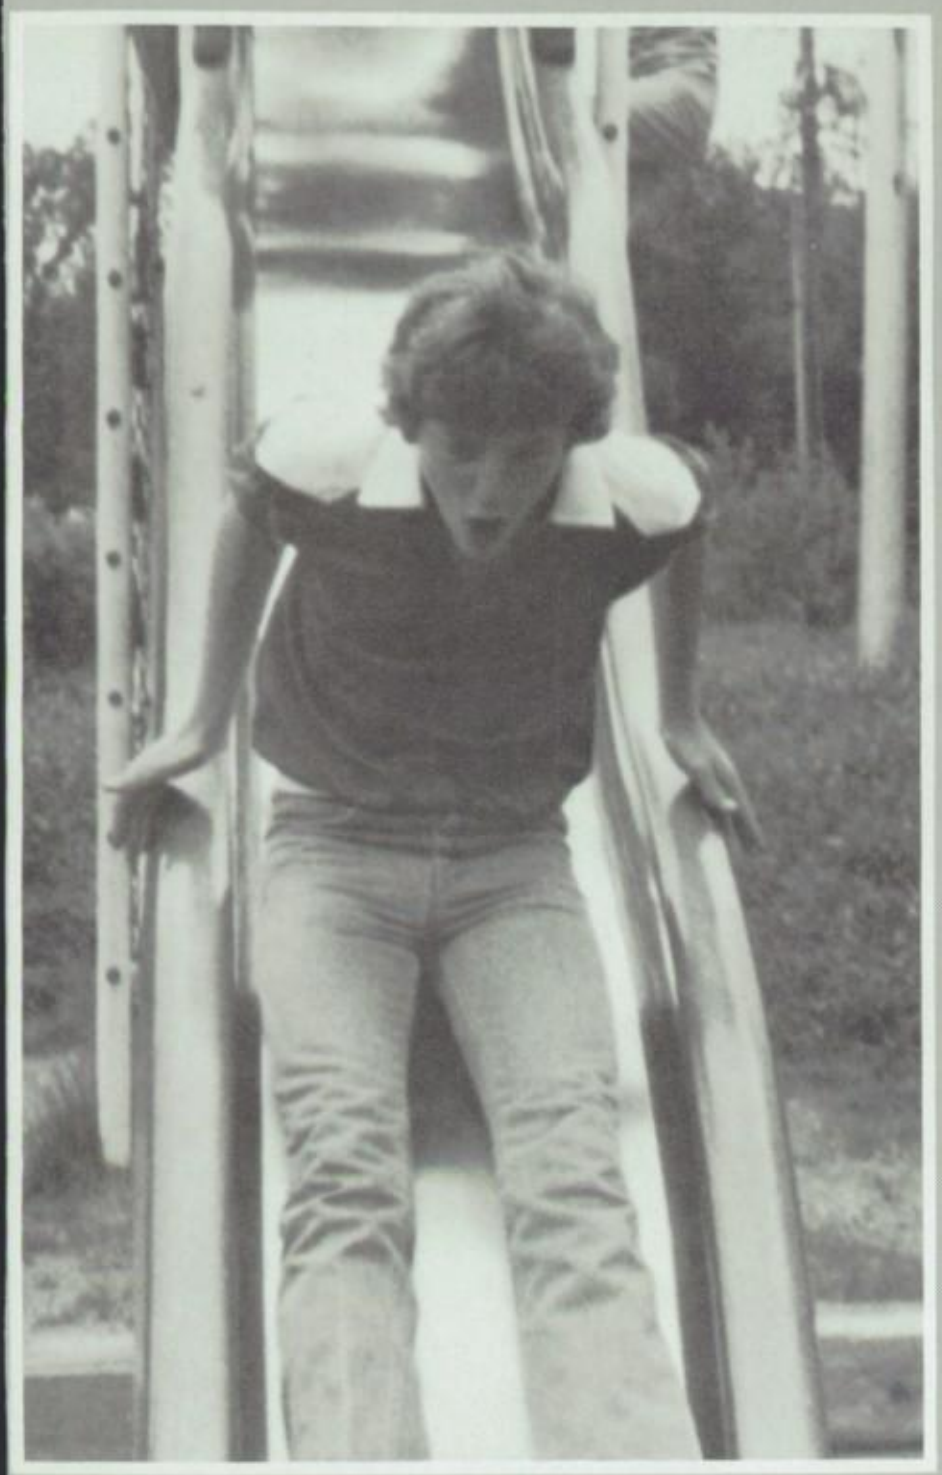
Student Life '84 Style

Top Songs of '84
Take A Look At Me Now — Phil Collins
Footloose — Kenny Loggins
Billie Jean — Michael Jackson
Thriller — Michael Jackson
Every Breath You Take — Police
Sharp Dressed Man — Z. Z. Top
Girls Just Want To Have Fun — Cindy Lauper
All Night Long — Lionel Richie

Fads In '84

The fads in '84 were awesome! They ranged from Ocean Pacific tees to high top Converse tennis shoes with contrasting shoestrings. Flashdance sweatshirts and ties to match, or not to match, were seen all over the halls. Handkerchiefs of all colors of the rainbow, tied every which way, helped to complete the wardrobe. The look this year was unconstructed rather than preppy or punk.





Academics Stressed At E.B.

A broad curriculum at E.B. develops the students' minds academically and creatively. It prepares them for employment and life in general. The surrounding pictures portray many of the course offerings and opportunities available at E.B.

The East Buchanan Science Fair grows larger and more impressive each year. This was the third year for E.B.H.S. to participate in Girls' Volleyball. Despite several losses the enthusiasm and pride that was evident during practices and games kept our spirit high. This was the first year of coaching for Ms. Brenda Keller. Coach Keller trained the varsity and junior varsity together and individually, helping to make the team stronger physically and mentally. If any of the team members were asked what they felt made this season so enjoyable, they would probably say, "Trying makes it all worthwhile."

Even though the East Buchanan Bulldogs did not win every game in the 1983 season, they showed that their abilities will form strong seasons in the years to come. The team practiced hard at all times and showed their best at game time. The record ended 3-6, but the spirit that the Bulldogs displayed will always remain on top.

Boys' Basketball, It's A "Technical" Game

A renewed spirit and pride was evident at E.B.H.S. this year during basketball season. The boys' basketball team ended a very successful season with a record of 13-10. Several games were lost by a very narrow margin. The underclassmen are anxiously looking forward to more time on the court next year to remind everyone that East Buchanan has once again become a contender with the round ball.

Girls Bounce Back

Coach Dennis Gorman, in his first year of coaching at E.B., led the girls' varsity to a record of 11-12. The season ended with the girls winning the first round of District Tournament play by a score of 48-44 over Weston. The season came to an end with a close loss to Smithville. A strong nucleus of players will be returning to play basketball for the 84-85 season. Optimism is high that again we will have a strong and successful team!
